USEFUL INFORMATION

Kaohsiung Climate

Kaohsiung City is located in the southwestern part of the island of Taiwan. The city, which lies almost entirely south of the Tropic of Cancer, has a tropical monsoon climate, **dry in the winter, hot and wet in the summer and autumn**. Because Kaohsiung is next to the Taiwan Strait, climatic changes are not dramatic, thanks to the moderating effect of the ocean.

Temperatures are generally **lowest** in January and February, with **averages ranging from 19.9 to 21.5°C**, and **hottest** from June to August, with averages of **28.3 to 29.5°C**. For 11 months out of every year the average temperature exceeds 20°C. Kaohsiung City gets more sunshine than any other place in Taiwan, with an annual average of nearly 200 hours per month.

Due to the effects of the southwest monsoon, the **rainy season** is concentrated in the period from **May to September**. From **October through March**, because the northeast monsoon is blocked by mountains, there is a **dry season** that lasts six months. There are typhoons each year in summer and autumn. According to Central Weather Bureau statistics, an average of three to four typhoons hit Taiwan annually, mainly in the period from July to September.

Taiwan Currency

The **New Taiwan dollar** (Chinese: 新臺幣; pinyin: Xīntáibì; Péh-ōe-jī: Sin-tâi-phiò; code: TWD; symbol: NT\$, also abbreviated as NT) is the official currency of the Republic of China (ROC) used in the Taiwan Area. The current set includes banknotes for **TWD100, 200, 500, 1000, and 2000**. The denominations of the New Taiwan dollar in circulation for Coins are TWD 50, 10, 5 and 1.

Voltage

The voltage in Taiwan is **110V/60Hz** and the type of plug usually used in Taiwan is **2 flat pin plug** and **1 round with 2 flat pin plug**.

實用資訊

高雄市氣候

高雄市位於台灣島的西南部。整個城市幾乎完全位於北迴歸線以南，屬熱帶季風氣候，冬季乾燥，夏季和秋季炎熱潮濕。因為高雄緊鄰台灣海峽，海洋的調節使氣候變化並不顯著。

1月和2月的氣溫一般最低，平均氣溫在19.9至21.5°C之間，最熱的是6月至8月，平均氣溫為28.3至29.5°C。每年11個月的平均溫度超過20°C。高雄市的日照比台灣其他任何地方都要多，平均每月近200小時。

由於西南季風的影響，雨季集中在5月至9月期間。從十月到三月，由於東北季風被中央山脈阻擋，因此有一個持續約半年的旱季。夏季和秋季一般有颱風。據中央氣象局統計，每年平均有三到四次颱風襲擊台灣，主要是七月至九月。

貨幣

台灣境內使用新臺幣（TWD）為貨幣單位，紙鈔面額最大為新台幣2,000元（較少見），再有1,000元、500元、200元（較少見），而最小的面額則為新台幣100元。硬幣面額則有新台幣50元、10元、5元和1元。

電壓

台灣電壓為110V/60Hz，插頭種類較常見為2頭扁腳的插頭及1圓2扁的三腳的插頭。

The page features a dark blue background. At the top, there is a decorative header with a series of parallel blue lines on the left and a complex geometric pattern of red and pink triangles on the right. A similar decorative footer is located at the bottom of the page.

Medical insurance for Overseas Chinese Students	TWD 600
1. According to the regulations of the National Health Insurance (NHI) Law in Taiwan, individuals who have obtained a residence permit and have resided in Taiwan for a full 180 days, and have only left the country once for a period not exceeding 30 days, are eligible to apply for the NHI. If a new student needs to return home during winter vacation, please make sure that the round-trip flight dates do not exceed 29 days, in order to guarantee the individual's right to participate in the NHI. If the number of days outside of Taiwan exceeds the allowed period for any reason, the days of residence in Taiwan must be recalculated.	
Group Medical insurance	TWD 1,000
1. The coverage period for Overseas Compatriot Students' injury and medical insurance ends on the 7th month before the effective date of NHI qualification. This is to ensure that there is no gap in medical insurance coverage due to returning home during winter vacation.	
2. If students are not eligible to participate in the NHI program during the second semester, their parents must provide a written statement of undertaking and continue to purchase other medical insurance in Taiwan to ensure medical coverage during the semester.	
3. Starting from the second semester, the NHI program requires a payment for six months, about NT\$826 per month, and a total of approximately NT\$4,956 for one semester (based on the current insurance law payment standard; if the future regulations for overseas students to pay the health insurance fee are revised, the announcement by the NHI Administration of the Ministry of Health and Welfare shall prevail).	

Remark:

- Since 2014, the Overseas Community Affairs Council (OCAC) health insurance subsidy has been changed to an application-based system. Students who have already come to Taiwan to study and come from economically disadvantaged families may fill out the application form [Attachment 3] and submit proof of their economic status to their school for review. Students who meet the qualifications will be granted the OCAC subsidy for health insurance fees.
