REAL ESTATE & LEISURE BUSINESS

www.isu.edu.tw/international

I-Shou University (ISU) is situated in the Guanyin Mountain area of northeastern Kaohsiung. The University firstly opened its gates in 1990. Today, with its continuous development, ISU has 7 colleges, 38 departments and programs (31 Bachelor Degree Programs, 1 Foundation Program, 2 Post-Baccalaureate Programs, 13 masters programs, and 6 doctoral programs) open to international students. Moreover, The International Foundation Programs (IFP) also prepares international students with their Chinese proficiency before starting their degree courses. The University has approximately 11,000+students (1,500 overseas students) and 420 full-time faculty members, 90% of whom possess doctoral degrees, making it a young and promising institution of higher education with a great potential.

ACADEMIC AND INDUSTRIAL SUPPORT BY E-UNITED GROUP

E- United Group, to which ISU is affiliated, real estate & leisure development, including Yieh Phui Enterprise Co., Ltd. and Yieh United Steel Corporation, E-DA Hospital, Kaohsiung Morriott Hotel, E-DA World and etc. With the generous financial support from E-United Group, the University has equipments and facilities that are unparalleled among other universities in Taiwan. Also, the University is one of the few comprehensive universities that integrate theory into practice, and are cognizant of and responsive to the needs of industries.

COMPREHENSIVE UNIVERSITY: THEORY & RESEARCH

With the support of E-United Group, ISU provides substantial offers to recruit faculty members with research specialties and practical experiences from different disciplines and professions. With the Artificial Intelligence-driven curriculum designs, ISU underlines the importance of equipping students with computing foundations for their future career opportunities. Thus, faculty members are encouraged to engage students in not only tapping into interdisciplinary studies, but also researching the cutting-edged points in their respective fields.

INDUSTRY-UNIVERSITY COLLABORATIONS

In addition to collaboration with affiliated companies of E-United Group, the University also actively seeks opportunities to work with other business entities for recount programs. By so doing, students are provided with more hands-on experience to work in different sectors. There are some 600 business entities working with the University in the form of industry-university collaboration, including industries of technology, electronics, medical services, iron and steel, hospitality and tourism, and department stores. The University aspires to meet the needs of different industries, cultivate professional talents, and carry out university-specific research projects.

CAMPUS FACILITIES

I-Shou University offers 6 English taught programs. Overseas studies, exchange programs or dual-degree programs are also available,

Sport facilities at campus: athletic field, gymnasium, swimming pool, fitness center, volleyball, tennis, basketball courts, and golf range,

University is located in the entertainment hub of E-DA World: 2 hotels, outlet mall, and theme park,

Multiple cafeterias on Main Campus and Medical campus offer both Chinese and Western cuisines,

ISU students may choose among over a hundred of **student clubs** to enrich their campus life,

Self-owned shuttle bus service is available from both campuses to major downtown locations,

ISU is a mobile-friendly environment, so students can enjoy nonstop full-campus Wi-Fi coverage.

DEPARTMENTS & PROGRAMS

COLLEGE OF INTELLIGENT SCIENCE & TECHNOLOGY

- Electrical Engineering M D IF
- Electronic Engineering M D IFP
- Information Management M II
- Information Engineering M D IFP
- Artificial Intelligence Technology E
- Equipment Engineering INTENSE E
- Mechanical Engineering INTENSE

IEET

IEET

COLLEGE OF ENGINEERING

- Civil Engineering
- Materials Science & Engineering M D IFP
- Chemical Engineering III
- Mechanical & Automation Engineering IFP

COLLEGE OF COMMUNICATION AND DESIGN

- Mass Communication
- Master Program of Cultural Creative Film & Television Communication & Design M

COLLEGE OF MEDICAL SCIENCE AND TECHNOLOGY

- Medical Imaging & Radiological Sciences
- Medical Laboratory Science
- Biomedical Engineering M IFP
- Medical Science & Biotechnology M
